We the members of the Junction City annual staff dedicate our 1978 Dragon Yearbook to Mr. A. W. Waller.

Mr. Waller has been a teacher in the Junction City School System for the past 31 years.

He has helped the students in many ways and has gone beyond call of duty as student counselor.

We deeply appreciate his concern for our lives, both present and future.

We hope, Mr. Waller, we will be able to uphold the standards and values taught to us by you.

THANK YOU MR. WALLER!

In Memory Of

If it be life that awaits, I shall live forever unconquered:

If death, I shall die at last strong in my pride and free.

These verses might well appear as an epitaph for David M. Pottorff. On March 9, 1978, we all suffered a loss in the sudden death of David Pottorff. It was indeed an honor and privilege to have known such a man. Mr. Pottorff grew up in New York, was educated at Mississippi State University, and came to Arkansas to settle after a most brilliant career in the United States Marine Corps. While in the Marines he received the following decorations: Purple Heart (four times), Silver Star with Oak Leaf Cluster, and Navy Cross.

Here is how the military remembers him:

- "For extraordinary heroism. ... cool burge and unselfish devotion to duty,"
- "Conspicuous gallantry and intrepidit in accordagainst the enemy."

If ever a man had his way with death Mr. Potterff did. For died surrounded by the things that he held most dear on this earth, his wife that he loved dearly and the house that he had built piece by piece from the ground up. He will be greatly missed on all who knew and loved him. Our final salute: Lt. Col. David M. Pottorff.

Class History

Once upon a time in 1966 (or earlier for some) the educated world took a turn for the worse, the senior class of '78 entered the 1st grade. Lisa Gay Goocher decided to get attention by putting her petticoat on her head and dancing joyously.

As the third year of our education came around. All the girls would bring their kiddles and barble dolls and play house.

In the fourth grade we got serious (ha) about increasing our knowledge by multiplication flash cards. This was really a bore, but when the orange juice and raisins came it relieved our minds.

Grade five brought new faces of different color, it was an adjustment, but we got along pretty well-

The sixth year of school was a year of torture, with Mrs. Rotina West the torturer. Remember kneeling on your knees with dictionaries on your arms, straps, and the thin paddle? Somehow we made it to the seventh grade.

That year was heaven as Mr. Hightower had his first year as our English teacher. All the girls, including Mrs. Williamson, adored him.

If you thought intergration was bad, what do you think of separation. Unconstitutional isn't it. This year we gained the biggest ham of our class from Rector, Ronn e.S. mmons. I guess that explains why Diane and Lisa Wilson would watch the boys cross the street at unch.

You talk about crazy, we were when we finally got into HIGH SCHOOL. That's when Dale Cleveland Hux strolled in as a math teacher, but really he's a jack of all trades.

The 10th year was depressing, trying to settle down, making decent grades was hard because well, you know how 15 and 16 year old boys and girls are. That year Ronnie, John, Susan and Renee were disecting a bird in biology, well to make a long story short, surgeons they are not, feathers went every where and all received an F.

Juniors, WOW, just one more year this year was highlighted by a winning football season, a hilarious Jr. Sr. Play which exposed Ronnie's worse half, his legs!! This year also featured Mrs. Littleton's so called sweathogs class. Remember when Jay's books were thrown out the window and he was kicked out of class. This also was the year when Jay went home for 3 days after a small encounter with the Incredible Hux!!!

1978 twelve (or thirteen as was previously stated for some) years ago we entered school, boy! What years we've had and our last probably the most memorable of all. Sports and Band were the highlights, with Senior Football 7. AA East runners up, Senior Boys basketbail County Champs, and Senior Girls District Runners up, the Band also received excellent ratings at District Festival and went to State at Conway. Our School was redecorated this year, finally after 11 hot springs and 11 freezing winters, we were comfortable. Well, that just about sums it up, its been fun but most of all a learning experience that we will always cherish.

Class Song. The Young And The Restless

Gone dreams of the past, gone with a love that moved too fast. Gone bright shiny days, gone in a young and restless haze. Why did we love then run away? So little time, so much left to say, and now it's gone.

Young and restless friend, you'll never pass this way again, so drink the summer wine, reach for the stars while you have time. Your restless dreams will lead the way; so dream your dreams and live for each day while you are young.

Editor's Note

This year's Annual Staff has been very hectic. School started late. Pictures were lost or too many were ordered. Advisors were changed and, above all, deadlines were set and barely met.

However, with the cooperation of many people, the 1978 Annual was completed

Thanks goes out to the entire Annual Staff for a job well done. We hope that each and every one of you will enjoy our 1978 Annual as much as we enjoyed putting it together for you.
